Application Checklist

Please submit the following documents along with your completed application form:

- Letter of intent explaining your interest in graduate actuarial research, the research topic you are pursuing, the relevance of your program to the actuarial profession, and your career plan;
- Résumé (1–2 pages);
- Two letters of reference from an employer and/or professor(s)—sent directly by the referees to scholarships@cia-ica.ca;
- University transcript(s); and
- Professional actuarial organization transcripts (if applicable).

Please note: Finalists will be enrolled as a CIAnet subscriber, giving them access to the CIA member website.

I consent to receive actuarial news and events via email from the CIA.

Please return your completed application form, along with supporting documents, to scholarships@cia-ica.ca.
