

Part 5000 has been replaced by Section 2800

Due to the implementation of IFRS 17, a new Section 2800 (Public Personal Injury Compensation Plans) replaces Part 5000, with separate sections for the valuation of insurance contract liabilities for financial reporting and the valuation of benefits liabilities for funding purposes. References to Part 5000 have been changed to refer to Section 2800 throughout the Standards of Practice.
