

THE GOVERNOR GENERAL · LE GOUVERNEUR GÉNÉRAL

I am delighted to extend greetings to everyone taking part in the 2015 Annual Meeting and Gala Celebration, celebrating the 50<sup>th</sup> anniversary of the Canadian Institute of Actuaries.

At a time when information is increasingly accessible, when the costs of education and living are ever on the rise, it is vital that we prepare now so that we are able to meet the challenges of the future. We must do this for our personal well-being, for the development of our communities and our country, and for future generations. This gathering is an opportunity to look back at a successful year and to look forward to the next 50 years of providing invaluable services to Canadians.

I wish everyone an enriching and enjoyable meeting.
