

PRIME MINISTER • PREMIER MINISTRE

*I am pleased to extend my warmest greetings to everyone attending the 50th Anniversary Gala and 2015 Annual Meeting of the Canadian Institute of Actuaries (CIA).*

*Since 1965, the CIA has diligently represented the interest of its members and ensured that the analytic services they provide to their clients meet the highest professional standards. Today, the CIA can boast a membership of close to 4,000 fellows who are dedicated to the advancement of actuarial science and practice, which benefit every Canadian who relies on a pension plan, social program or insurance policy for their financial well-being.*

*This annual meeting offers actuaries and other financial professionals a forum in which to exchange information about the newest trends in the field. I am certain that the keynote speeches and presentations will spark thought-provoking and informative discussions. I would like to commend the organizers for putting together a stimulating program for everyone involved.*

*On behalf of the Government of Canada, I offer my best wishes for a productive meeting and a most enjoyable anniversary celebration.*

*The Rt. Hon. Stephen Harper, P.C., M.P.*
